

## STOCKPORT COLLEGE

**Stockport College believes in providing an outstanding education for its students through a relentless pursuit of academic excellence. Seddon Construction has completed the first phase of a £24m redevelopment at Stockport. This includes the construction of a new arts building within the shell of the former arts department, together with the refurbishment of Vernon Tower to provide new teaching facilities.**

**3000m sqm of Eurocord tile from Rawson Carpet solutions has been chosen by Seddon for this project.**

Partners on the project include Project3 architects, and Northwest flooring who have installed Rawson's Eurocord carpet tile. Renowned for its durability and competitiveness, the ribbed, dense fibre bonded tile contributes to the modern stark interior and offers a quiet and comfortable surface suited to any education facility. Eurocord is a tried and tested carpet tile solution for the education market with class 33, heavy contract suitability.
